TO WHOM IT MAY CONCERN

Dear Sirs,

I am pleased to recommend Mr. Sombat Khamin of S.B.J. Construction Contractor Co., Ltd. to someone who is looking for a professional construction company. His work with us was fixing some leaking problem and re-do new waterproofing system on the roof top of our hotel. The work was started on May 1, 2016 and completed in September 2016.

I have found that he was a professional, responsibility, helpful and pragmatic in trying to arrive at solutions in a cost effective manner.

All works that Mr. Sombat is overseeing for us has been of good quality. Therefore I would not hesitate to recommend him.

Yours sincerely,

Lars Ydmark
